SUMMARY

Having long wondered what lives beyond the ice shelf, nineteen-year-old mermaid Ersel learns of the life she wants when she rescues and befriends Ragna, a shield-maiden stranded on the merfolks' fortress. But when Ersel's childhood friend and suitor catches them together, he gives Ersel a choice: Say goodbye to Ragna or face justice at the hands of the glaciers brutal king.

To save herself from perishing in the barren, underwater wasteland and be reunited with the human she's come to love, Ersel makes a deal with Loki, the god of Lies.
